House of Commons

INDIVIDUAL MEMBERS' EXPENDITURES

FOR THE FISCAL YEAR 2001-2002

FINANCIAL MANAGEMENT OPERATIONS
FINANCE AND HUMAN RESOURCES DIRECTORATE
JUNE 2002

104-00881/

Introduction

- The Speaker of the House of Commons, on behalf of the Board of Internal Economy (BOIE), tables the report on Individual Members' Expenditures on an annual basis pursuant to BOIE By-laws. Prior to tabling, Members receive a copy of their Individual Expenditures report.

- Seats held by former Members are identified as "vacant" followed by the constituency name. Following the resignation or death of a Member, the Whip of the former Members' party maintains services to constituents until the date of a by-election. Prior to tabling, reports for vacant seats are sent to the Whip of the former Members' party.

- The Individual Members' Expenditures are presented in two main categories: Members' Office Budget and Support Provided by the House. All budgets and related expenses are for the fiscal year April 1, 2001 to March 31, 2002, except for those who resigned during the fiscal year: Messrs. Hon. Ronald Duhamel, Hon. Alfonso Gagliano and Rt. Hon. Herb Gray (January 14, 2002), Hon. Brian Tobin (January 25, 2002), Preston Manning (January 31, 2002), Hon. George Baker and Raymond Lavigne (March 25, 2002).

- During the course of the fiscal year 2001-2002, the following changes to the Members' Office Budget and to the travel provisions were adopted: Increase to the Miscellaneous Expense Account portion of the Members' Office Budget for Members representing electoral districts in Schedule 3 of the *Canada Elections Act* for the retroactive abolishment of their additional tax-free allowance. The levels of funding for the Miscellaneous Expense Account were increased by $7,750 for 23 Schedule 3 Members, and by $10,875 for two Members representing the North West Territories and Nunavut. The Miscellaneous Expenditures Account of the Members' Office Budget has been changed from $3000 to up to 3% of the overall budget for all other 276 Members. The Board has also approved a change to its policies to permit Members to charge travel status expenses incurred in Canada to the unused portion of the Miscellaneous Expenditures Account of their Member's Office Budget when their $15,000 travel status expenses budget has been fully used. In addition, the Board of Internal Economy has approved the reimbursement of certain transportation expenses (parking, taxi, etc.) incurred by Members when travelling on business in the National Capital Region (NCR) as chargeable to the Members' Office Budget.

- The expenses reported are to some extent, reflective of the characteristics of the constituency each Member represents. For example, the constituency size and its distance from Ottawa would be determining factors on travel and telephone expenditures, whereas the number of constituents and households in the constituency would influence the amounts expended for printing and office supplies.

- The Manual of Allowances and Services contains administrative information concerning Members' entitlements, including a list by constituency indicating the constituency type, the basic budget and annual budgetary supplements for fiscal year 2001-2002 (Chapter A-1, Appendix "A"). The Manual of Allowances and Services is available on the Parliamentary Intranet Site (Reference Material) as well as from the Library of Parliament.

- The tabling of the Individual Members' Expenditures report will coincide with the tabling of the Public Accounts of Canada in the future.

- Questions related to this report should be directed to BOIE spokespersons (Mrs. Marlene Catterall and Mr. John Reynolds) or to individual Members.

Members' Office Budget (MOB)

The MOB consists of a basic budget set according to the type of constituency (rural or urban) as well as those listed in Schedule 3 of the *Canada Elections Act*. This basic budget may be supplemented where the geographic area to be served is 8,000 square kilometres or more or the number of electors on the lists is 70,000 or more. The constituency area measurements and the number of electors are those published by the Chief Electoral Officer.

In 2001-2002, the annual MOB including Geographic and Elector Supplements ranged from $214,800 to $272,125 compared to $201,650 to $248,100 in 2000-2001. The average budget was $228,151 in 2001-2002 compared to $212,678 the previous year. This represents an increase of 7.3% over the 2000-2001 levels. The MOB is used for:

(1) ***STAFF AND OTHER EXPENSES,*** including employee salaries, service contracts and constituency office operating expenses, such as utilities, local telephone service, furniture and computer equipment. This also includes a Miscellaneous Expenditures Account of up to 3% of the overall Members' Office Budget to acquire, for the constituency or Ottawa offices, goods and services not explicitly excluded or specified. Schedule 3 Members are entitled to a larger amount.

(2) ***TRAVEL,*** including travel by the Member and the Member's employees in the constituency or the province or territory in which the constituency is located and certain transportation expenses incurred by the Member within the National Capital Region, as well as for accommodation, meals and incidental expenses incurred by employees on parliamentary business trips within Canada specifically authorized by the Board of Internal Economy. This also includes travel status expenses (accommodation and meals), up to the maximum limit of the Miscellaneous Expenditures Account, when the $15,000 maximum included in item (4) *Travel* has been reached.

(3) ***OFFICE LEASE,*** for the constituency office(s).

Support Provided by the House

For efficient service delivery, the following costs are charged to centralized House budgets:

(4) ***TRAVEL (a)*** each Member is allowed a maximum of 64 return trips between Ottawa and the constituency and other parts in Canada; ***(b)*** each Member may be reimbursed for private or receipted accommodation and for meals and incidental expenses up to the per diem rate while in travel status, to a maximum of $15,000. Please note that Members are permitted to charge travel status expenses incurred in Canada to the unused portion of the Miscellaneous Expenditures Account of their Member's Office Budget when their $15,000 travel status expenses budget has been fully used.

(5) ***TELEPHONE,*** for long-distance calls;

(6) ***PRINTING,*** for up to four householders sent by the Member to all constituents, and for documents in quantity up to 10% of the number of households in the Member's constituency (ten percenters);

(7) ***OFFICE SUPPLIES,*** for the Ottawa and constituency offices;

(8) ***OTHER,*** for furniture, computer equipment, software and renovations for the Member's Ottawa office.

Chambre des communes

DÉPENSES PAR DÉPUTÉ

POUR L'EXERCICE 2001-2002

GESTION DES OPÉRATIONS FINANCIÈRES
DIRECTION GÉNÉRALE DES FINANCES ET DES RESSOURCES HUMAINES
JUIN 2002

Introduction

- Le Président de la Chambre des communes dépose chaque année, au nom du Bureau de régie interne (BRI), le rapport annuel des dépenses de chaque député conformément aux Règlements administratifs du BRI. Avant le dépôt, chaque député reçoit un rapport de ses dépenses.

- Les sièges laissés vacants par d'anciens députés portent la mention « vacant » suivie du nom de la circonscription. Lorsqu'un député démissionne ou décède, le whip du parti de l'ancien député assure les services aux électeurs jusqu'à la date de l'élection partielle. Avant le dépôt, le rapport pour les sièges laissés vacants est remis au whip du parti de l'ancien député.

- Les dépenses pour chaque député sont classées en deux catégories : Budget des bureaux des députés et Soutien fourni par la Chambre. Tous les budgets et les dépenses correspondantes se rapportent à l'exercice allant du 1er avril 2001 au 31 mars 2002, sauf pour ceux qui ont démissionné au cours de l'exercice : MM. l'hon. Ronald Duhamel, l'hon. Alfonso Gagliano et le très hon. Herb Gray (14 janvier 2002), l'hon. Brian Tobin (25 janvier 2002), Preston Manning (31 janvier 2002), l'hon. George Baker et Raymond Lavigne (25 mars 2002).

- Au cours de l'exercice 2001-2002, les changements suivants ont été apportés au budget des bureaux des députés ainsi qu'à certains aspects relatifs aux déplacements : augmentation de la portion des comptes de frais divers du budget des bureaux des députés pour les députés représentant les districts électoraux énumérés à l'Annexe 3 de la *Loi électorale du Canada* afin de compenser l'abolition rétroactive de leur indemnité de fonctions exonérée d'impôt. Les fonds pour le compte de frais divers ont été majorés de 7 750$ pour 23 députés de l'Annexe 3 et de 10 875$ pour les deux députés représentant les Territoires du Nord-Ouest et le Nunavut. Le compte de frais divers du budget de bureau des 276 autres députés a subi une hausse passant de 3 000$ jusqu'à 3 p. 100 du budget global. Le Bureau a également approuvé une modification de ses politiques afin que les députés puissent imputer à la portion inutilisée du compte de frais divers de leur budget de bureau de député, les frais de déplacement remboursables encourus au Canada lorsque leur budget de frais de déplacement remboursables de 15 000$ a été entièrement utilisé. Le Bureau a de plus approuvé certaines dépenses de transport (stationnement, taxi, etc.) encourues par les députés voyageant pour affaires à l'intérieur de la Région de la capitale nationale (RCN), dépenses imputables au budget des bureaux des députés.

- Les dépenses déclarées sont dans un certaine mesure représentatives des particularités propres à chaque circonscription. Par exemple, la taille de la circonscription et son éloignement d'Ottawa peuvent influer de façon déterminante sur les dépenses relatives aux déplacements et au téléphone, tandis que le nombre d'électeurs et de foyers dans la circonscription peuvent influencer les montants dépensés en frais d'impression et en fournitures de bureau.

- Le Manuel des allocations et services renferme les renseignements administratifs concernant les indemnités auxquelles ont droit les députés et une liste par circonscription indiquant le type de circonscription, le budget de base et les suppléments budgétaires annuels pour l'exercice 2001-2002 (Chapitre A-1, annexe « A »). Le Manuel des allocations et services est accessible sur le site Intranet parlementaire (Documents de référence) de même qu'à la Bibliothèque du Parlement.

- A l'avenir, le dépôt du rapport de divulgation des dépenses par député coïncidera avec le dépôt des Comptes publics du Canada.

- Les questions concernant ce rapport doivent être adressées aux porte-parole du BRI (madame Marlene Catterall et monsieur John Reynolds) ou aux députés à titre individuel.

Budget des bureaux des députés (BBD)

Le BBD est un budget de base qui est fonction du type de circonscription (rurale ou urbaine) et qui s'applique également aux circonscriptions énumérées à l'Annexe 3 de la *Loi électorale du Canada*. Des suppléments peuvent être ajoutés au budget de base lorsque la superficie de la circonscription est de 8 000 km^2 ou plus ou lorsque le nombre d'électeurs figurant sur les listes est de 70 000 ou plus. Les superficies des circonscriptions et le nombre d'électeurs sont publiés par le Directeur général des élections.

En 2001-2002, les BBD, compte tenu des suppléments géographique et par électeur, variaient de 214 800$ à 272 125$, comparativement à la fourchette de 2000-2001 qui était de 201 650$ à 248 100$. Le budget moyen en 2001-2002 était de 228 151$, comparativement à 212 678$ au cours de l'exercice précédent. Cela représente une augmentation de 7,3 p. 100 par rapport aux chiffres de 2000-2001. Le BBD est utilisé aux fins suivantes :

(1) ***PERSONNEL ET AUTRES DÉPENSES,*** comprennent les salaires des employés, les contrats de services et les frais de fonctionnement du bureau de circonscription, c'est-à-dire l'électricité, le service téléphonique local, le mobilier et le matériel informatique. Cette rubrique comprend également un compte de frais divers jusqu'à concurrence de 3 p. 100 du budget global de bureau des députés pour l'achat de biens et de services non explicitement exclus ou énumérés pour les bureaux d'Ottawa et de circonscription. Les députés de l'Annexe 3 ont droit à un montant plus élevé.

(2) ***DÉPLACEMENTS,*** comprennent les frais de déplacement du député et de ses employés à l'intérieur de la circonscription ou dans la province ou le territoire où elle se trouve et certaines dépenses de transport engagées pour affaires par les députés à l'intérieur de la Région de la capitale nationale ainsi que les frais d'hébergement et de subsistance des employés lors de déplacements officiels à l'intérieur du Canada expressément autorisés par le Bureau de régie interne. Cette rubrique comprend également les frais de déplacement remboursables (logement et repas) ou voyages officiels, jusqu'à concurrence du plafond du compte de frais divers, lorsque le montant maximal de 15 000$ inclus à la rubrique (4) *Déplacements* a été atteint.

(3) ***LOCATION DE BUREAU,*** représente les coûts de location des bureaux de circonscription.

Soutien fourni par la Chambre

Pour un service efficace, les coûts suivants sont imputés aux budgets centraux de la Chambre :

(4) ***DÉPLACEMENTS (a)*** chaque député a droit à un maximum de 64 voyages aller-retour par année, entre Ottawa et sa circonscription et vers d'autres destinations au Canada; ***(b)*** chaque député peut se faire rembourser dans le cadre de ses déplacements officiels un montant maximal de 15 000$ pour les frais d'hébergement privé ou résultant de location qui sont justifiés par des reçus, ainsi que pour les frais de repas jusqu'à concurrence du tarif journalier. Veuillez noter que les députés peuvent imputer à la portion inutilisée du compte de frais divers de leur budget de bureau de député, des frais de déplacement remboursables encourus au Canada lorsque leur budget de frais de déplacement de 15 000$ a été entièrement utilisé.

(5) ***TÉLÉPHONE*** pour les appels interurbains;

(6) ***IMPRESSION*** comprend les coûts de jusqu'à quatre envois collectifs par un député à tous ses électeurs ainsi que les documents en quantité ne dépassant pas 10 p. cent du nombre de foyers de la circonscription du député (les envois dix pourcent);

(7) ***FOURNITURES DE BUREAU*** pour les bureaux d'Ottawa et de la circonscription;

(8) ***AUTRES*** couvrent les articles suivants au bureau d'Ottawa: mobilier, matériel informatique, logiciels et rénovations.
